

iPower Plans First Funding Tranche This Week for Previously Authorized Share Repurchase Program

May 26, 2026

RANCHO CUCAMONGA, Calif., May 26, 2026 (GLOBE NEWSWIRE) -- iPower Inc. (Nasdaq: IPW) ("iPower" or the "Company"), a technology- and data-driven company operating at the intersection of AI infrastructure and real-world commerce, today announced that it has executed documents to implement a trading plan in connection with its previously authorized share repurchase program.

The Company expects the trading plan to become active following completion of the applicable broker execution process and satisfaction of applicable procedural and regulatory requirements. In connection with the planned activation, iPower expects to fund the first tranche of the repurchase account this week.

As previously announced, iPower's Board of Directors authorized a share repurchase program of up to \$2.0 million of the Company's common stock. The timing, amount and manner of any repurchases will depend on market conditions, share price, trading volume, applicable legal requirements and other business considerations. The program does not obligate the Company to acquire any specific number of shares and may be modified, suspended or discontinued at any time.
